

CALL FOR PAPERS

Asian Joint Conference on Propulsion and Power 2010

**The Korean Society of
Propulsion Engineering
(KSPE)**

**The Japan Society for
Aeronautical and Space Sciences
(JSASS)**

**The Chinese Society of
Engineering Thermophysics
(CSET)**

March 4-6, 2010

Miyazaki Kanko Hotel, Miyazaki-city, Japan

SCOPE

Asian Joint Conference on Propulsion and Power (AJCPP) is the joint holdings of the international conferences, relating to aerospace / mechanical engineering, thermo-fluid / electro-magnetic / plasma physics, structural / material design and fluid machinery. In order to enlighten Asian research activities and the development of technology in the fields of, but not limited to, Aerospace Propulsion and Power.

**Organized by
Co-organized by**

Supported by

**The Japan Society for Aeronautical and Space Sciences
The Korean Society of Propulsion Engineering
The Chinese Society of Engineering Thermophysics
The Korean Society for Aeronautical and Space Sciences
The Korean Fluid Machinery Association
The Korean Society of Mechanical Engineering
Gas Turbine Society of Japan
The Japan Society of Mechanical Engineers
Japan Aeronautical Engineers' Association.**

**(JSASS),
(KSPE),
(CSET),
(KSAS),
(KFMA),
(KSME),
(GTSJ),
(JSME),**

TERM AND VENUE

AJCPP2010 co-organized by The Japan Society for Aeronautical and Space Sciences, The Korean Society of Propulsion Engineering and The Chinese Society of Engineering Thermophysics will be held on **March 4-6 in Miyazaki, Japan**, which is located in the South Eastern corner of the island of Kyushu and famous for a relaxed tropical atmosphere, its scenic beauty, delicious foods and many places that have links to ancient history of East Asia.

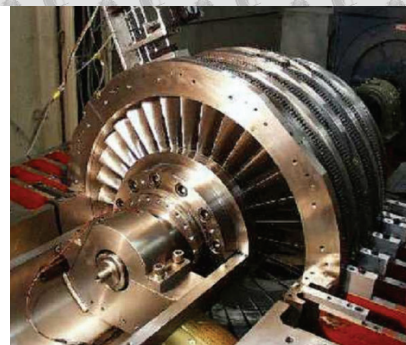

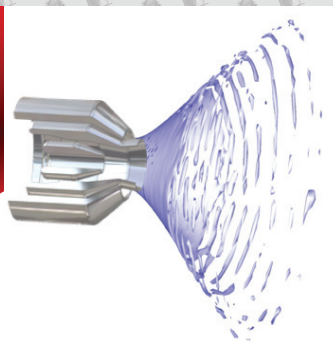

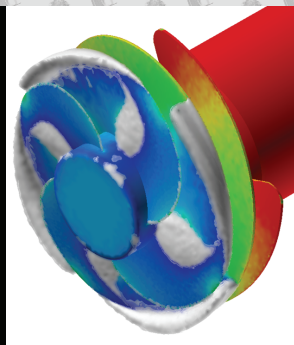

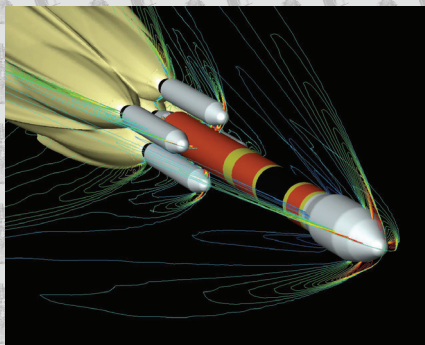

**Miyazaki Kanko Hotel: 1-1-1 Matsuyama, Miyazaki-city, Miyazaki-prefecture Japan 880-8512
TEL : +81-985-27-1212 , FAX : +81-985-25-8748**

APPLICATION

All the submitted paper must be written and presented in English. Papers are invited on all aspects of innovative theory and application in aerospace propulsion. Topics include but are not limited to

- + Aircraft Engine**
- + Electric Propulsion and Advanced Propulsion**
- + Structural / Material Technology**
- + Combustion, Diffusion / Turbulent Mixing**
- + Measurement Techniques and Control / Ground Test**
- + Rocket Propulsion (Solid / Liquid / Hybrid)**
- + Propulsion System for Reusable Launch Vehicles**
- + Engine Components (Turbomachinery / Combustor)**
- + CFD**
- + Reliability, Operation and Maintenance**

Paper Submission

Authors who will make a presentation in this conference should send the proposal of the paper through "Application For AJCPP2010" on the **AJCPP2010 Web site** ( www.jsass.or.jp/propcom/ajcpp2010/) by **October 16**. The reviewing committee of AJCPP will send you a notice of acceptance by **November 15** via e-mail. Authors of accepted papers are expected to submit manuscripts of Abstract (to be bounded and distributed at the conference) and Conference Paper (to be included in CD-ROM and distributed at the conference) by **December 15**.

Important Dates

+ **October 16, 2009**

Application Deadline

+ **November 15, 2009**

Notification of Acceptance

+ **December 15, 2009**

Abstract and Paper Submission Deadline

Registration Fees

(Including Bounded Abstracts and CD-ROM Proceedings)

+ **Regular** **15000 JPY**

+ **Student (Student ID required)** **8000 JPY**

Optional Fees

+ **Reception** **5000 JPY**

+ **Technical Tour** **4000 JPY (TBD)**
