前言

装备制造业是我国经济发展的重要支柱产业之一，流体机械制造业是装备制造业的重要组成部分。流体机械承担着为石油天然气开发及集输、石油化工、冶金、水利等行业提供成套、配套及关键技术的艰巨任务，是许多成套、重大技术装备中的核心设备。其主要产品泵、阀门、风机、压缩机、密封、清洁机械、气体分离设备、环保、水处理、食品加工及包装机械等众多行业有着广泛的应用领域，如西气东输等长输管道使用的大型输气压缩机、输油泵及阀门等。

“十五”期间，我国流体机械制造业得到较快发展，大型空分设备、环保等重大技术装备和关键产品实现了国产化，研制出了一批具有国际先进水平的重大技术装备，为国民经济发展做出了贡献。为推动我国流体机械及泵阀产业的繁荣发展，在相关政府和行业协会的大力支持下，我们将“2008第九届（秋季）中国国际流体机械暨泵阀阀门展览会”定于2008年10月9-11日在中国国际展览中心举行。届时主办单位将邀请美国、英国、德国、澳大利亚、意大利、韩国、加拿大、西班牙、荷兰、挪威、日本及香港和台湾等国家和地区的企业将展示他们在此行业中最新产品技术和设备，欢迎参展、参观。

●展会回顾：

2007第八届（秋季）中国国际流体机械暨泵阀阀门展览会于2007年9月12-14日在北京中国国际展览中心落下帷幕。同期举办第八届中国国际供水水处理膜技术装备展览会。由来自全国22个省市和11个国家366家企业参加展览。设置国际标准展位600个。国外企业52家，占总面积的26%。展会开幕当日，由中央台、北京台等六个电台报道此届展会。观众2.7万人次。被业内人士称为：展会规模大、档次高，专业性强的国际盛会。取得了圆满成功。

●会议日程：

报到布展：2008年10月7日—8日（8:30—17:00）

正式展出：2008年10月9日—11日（9:00—16:30）

●论坛日期：2008年10月9日上午10:30-11:45 下午14:00-16:00

论坛主办：亚洲流体机械学会 中国流体工程学会

论坛主讲人：韩国、日本、中国流体机械专家

●展品目录：

▼泵、阀门、风机、压缩机、密封等流体机械专业产品与技术；

▼相关配套产品和技术：成套设备、试验、检测技术与设备等。

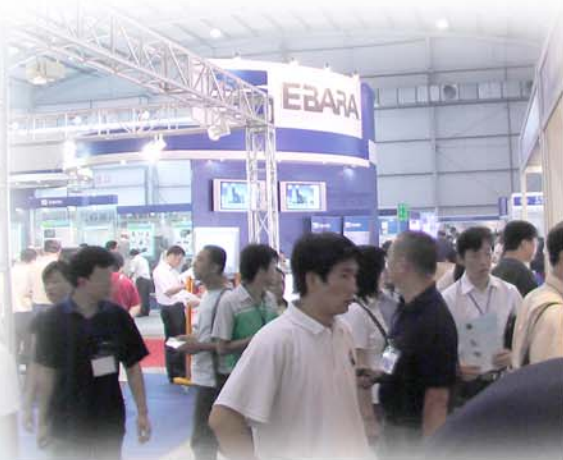

●展品分类：

▼阀门：闸阀、球阀、蝶阀、截止阀、止回阀、安全阀、减压阀、节流阀、柱塞阀、气动阀、电磁阀、调节阀、特种阀、旋塞阀、隔膜阀、压力阀门、专用阀门、阀门配件、阀门驱动装置、润滑、密封材料、检测仪器测试系统、计算机辅助系统，应用技术等；

▼风机：离心鼓风机、罗茨鼓风机、回转式鼓风机、电站锅炉鼓风机、空调风机、射流风机、地铁风机、屋顶风机、高温风机、陶瓷风机、防爆风机、消防排烟风机、隧道专用风机、防腐耐磨风机、轴流通风机、离心通风机、电站锅炉轴流通风机、矿井离心通风机、风机配件、电机、风机箱柜等；

▼压缩机：微型压缩机、小型空压机、专用压缩机（船用、小型、高、中压型等）、摩托式压缩机、螺杆式压缩机、滑片式压缩机（含摆动式）、隔膜式压缩机、压缩空气用干燥器、空气分离器、平衡机、压缩空气过滤器、空压机配件、电机等；

▼泵：单级离心泵、多级离心泵、锅炉给水泵、热水泵和冷凝泵、船用泵、耐腐蚀泵、化工用混流泵和轴流泵、流程泵、油泵、污水泵、泥浆泵、渣浆泵、井泵、混流（斜流）泵、电动往复泵、计量泵、泵用机械密封、填料密封、清洗机或成套装置等。

Foreword

China's equipment manufacturing industry is an important economic development one of the pillar industries, fluid machinery and equipment manufacturing industry is an important component of the manufacturing sector. Fluid Machinery commitment to the development of oil and natural gas gathering and transportation, petrochemical, metallurgical, and water conservancy industry sets, accessories, and the arduous task of key technologies, many sets, the major technologies and equipment in the core equipment. Its main products pumps, valves, fans, compressors, seal clean machinery, gas separation equipment, environmental protection, water treatment, food processing and packaging machinery, and many other industries share a wide range of application areas, such as natural gas, such as the use of the long-distance pipeline Large gas compressors, pumps and valves.

To promote the prosperity of fluid machinery, pump and valve industry in China, with the supports from relevant governments and related industry associations, we plan to host "2008 9th (Autumn) China International Fluid Machinery Pump and Valve Seal Exhibition" from Oct 9-11, 2008, in Beijing International Exhibition Center. We will invite the companies and business from the United States, UK, Germany, Australia, Italy, Korea, Canada, Spain, Netherlands, Norway, Japan, Hong Kong and Taiwan to demonstrate their latest products and technologies in this industry. Exhibitors and visitors are welcome!

●The Review of Last Exhibition

Review of 2007 Exhibition:

The 8th (Autumn) China International Fluid machinery ,Pump & Valve Seal Exhibition was held from Sep 12-14, 2007 in China International Exhibition Center in Beijing. The Water Supply, Water Treatment and Membrane Technology Exhibition also held in that period. With 600 standard booth , more than 366 enterprises and companies from 22 Cities and provinces from China and 11 Country of the world were attracted to the exhibition, 52 foreign enterprises, accounting for 26 per cent of the total area. On the opening day, six TV station including CCTV, BTV reported the exhibition. With its sweeping scale, professional, wide influence, and high quality, and over 27 thousand visitors, the exhibition received wide reorganization by the circle and called as an international meeting. Besides, technology exchange activities also carried out during the exhibition period. In a word, the exhibition ended with great success.

●Exhibition Schedule

Move-in period: Oct, 7-8, 2008 (8:30—17:00) Exhibition: Oct, 9-11, 2008 (9:00—16:30)

●Forum Date: 10:30AM-11:45 PM October 9, 2008 14:00PM-16:00PM October 9, 2008

Forum Host: Asian Institute of Fluid Machinery Chinese Fluid Engineering Society

Forum Speakers: Korea, Japan, China fluid mechanical experts

●Exhibition Directory

▼ Fluid machinery and technology like Pump, valve, blower, seal and air compressor

▼ Related products and technology: equipment package, testing and inspection technology and equipment

●Exhibition Scope

▼ Valve: Gate valve, ball valve, butterfly valve, stop valve, check valve, safety valve, reducing valve, throttle valve, piston valve, pneumatic valve, solenoid valve, regulating valve, special valve, screw valve, diaphragm valve, pressure valve, professional valve, valve accessories, valve driving units, lubrication, sealing materials, testing instruments and system, computer aided system, applied technology

▼ Blower: Centrifugal blower, Rots blower Rotary blower, blower for power station boiler, air-conditioner fan, injection blower, tube fan, roof fan, high temperature fan, ceramic blower, explosion-proof blower, exhaust fan, tunnel fan, anti-corrosion and wear blower, axial blower, centrifugal fan, axial fan for boiler at power station, centrifugal fan for mineral well, fan accessories, fan cabinets.

▼ Compressor: Miniature compressor, small compressor, special compressor (for ship, small, medium and high pressure) motor type compressor, screw compressor, slide compressor (including swing type) diaphragm compressor, compressed air dryer, air separator, balancer, compressed air filter, air compressor accessories, electric motor,

▼ Pump: single stage centrifugal pump, multi-stage centrifugal pump, water feed pump for boiler, hot water pump and condensate pump, ship pump, anti-corrosion pump, mixture pump and axial pump for chemical application, flow pump, oil pump, sewage water pump, slurry pump, sludge pump, well pump, mixture (side flow) pump, axial pump, electric reciprocating pump, dosing pump, Pump mechanical seal, Packing Seal, cleansing equipment or pump package

● 参 展 费 用：

标准展位费：(3m×3m)

空地基本价(面积不低于36m²)

国内 7800元 / 展位、展期

国内 800元 / m²展期

合资 13000元 / 展位、展期

合资 1300元 / m²展期

外商 3600美元 / 展位、展期

外商 360美元 / m²展期

标准展位费用：包括展出场地、2.5m高壁板、楣牌制作、9平方米地毯、洽谈桌一张、二把椅子、220v电源插座一个、日光灯二支；

光地费用包括：展出场地、保安、清洁服务。(不包括每平方米20元人民币管理费)

●大会活动内容：

展会期间有产品展示、贸易洽谈，同期将举办技术交流会，各参展商可以自愿申请，每场技术交流会收费，国内企业为7800元，境外企业为1500美元，时间为2小时。

●特 别 注 明：

参展企业若选择展位及双开口展位加收20%的展位费用。

展品运输、代表住宿等事宜，将以参展商手册为准。

会务费每人600元人民币。(用于会议资料、午餐、纪念品等)。

●参 展 程 序：

填写展位申请表、加章后邮寄或传真至大会组委会。在申请展位一周内将参展费用[50%(订金)或全款]电汇或交至组委会，展位顺序分配原则：“先申请、先付款、先安排”，余款在2008年8月31日前付清，否则主办单位将视其放弃参展，不再保留展位。主办单位收到《参展申请表》和展台费用后，将发票与《参展手册》一并寄给参展商。参展商在报名参展后中途退出，参展所付订金不退。

●会 刊 与 其 它 广 告：

会刊除在大会期间广泛送给主管部门及相关协会、观展客商外，还将通过主办单位途径发往国内外的业内系统及相关单位等。请参展商提供公司简介(限200字内)免费刊登在会刊上。

会 刊	封 面	封 底	封一二	封 三	跨彩页	内彩页	黑白页
人民币	30000元	23000元	10000元	8000元	10000元	6000元	3000元

请柬：8000元一万张、入场券：4000元一万张、充气拱门：10000元/会期

空飘气球1000元一天、入场券：2万张起印

●专业的观众组织及宣传推广：

▼印制展览会参观券，寄往国内外广大厂商及相关协会，并在全国各大专业展览会上派发，邀请参展参观。

▼拟定在国内外100多种媒体及专业网站做大量的宣传推广：

●主要观众邀请：

石油、化工；工程服务业；煤气加工/炼油；汽车制造；环境保护；制药业；建筑业；消防；造船及修船；食品加工；贸易及零售；咨询/管理服务；政府部门；水及废水处理；电子业；医疗及保健业；水供应及处理；能源及电力；酒店服务业、其他；

●国际互联网及电台：

国际泵阀网、中国泵阀网、中国管道网、泵阀交易网中国、中国水网、全球泵阀网、中国拟在建项目网、中国压缩机网、北京电视台发布展会信息及广告内容。

●Exhibition fee

Standard booth rate (3m×3m) Open space rate (Min.36m²)
 Domestic exhibitors RMB7800/booth/period RMB 800 / m²/ period
 Joint venture exhibitors RMB13000/booth/period RMB RMB1300 /m² /period
 Foreign exhibitors: US\$ 3600booth/period US\$ 360 / m²/period
 Standard booth fee includes exhibiting site, 2.5M high partition plate, a company name fascia board, 9 M² of carpet, 1 information counter, 2 chairs, 1 electric socket (220 V) and 2 daylight lamps.
 Open space: (Min.36M²) including exhibiting site, security, cleaning services.
 (Without maintenance fee of RMB20 / M² charged by exhibition center)

●Attentions:

The exhibitor should pay 20% booth rental fee in addition if you choose the booth or need the two-side open booth. Each exhibitor should pay RMB600 for exhibition material, lunch and memorial etc. The exhibit transportation and hotel reservation will be supplied according to the exhibitor brochure.

●Participation Procedures

The exhibitors should complete the Application Form with signature and send or fax it to the organizer as early as possible. At least 50% booth rental fee should be remitted to the organizer within one week after application. The balance should be remitted before Aug 31, 2008, otherwise we will consider it as cancellation. The booth allocation is on "First come, First served" basis.

When you effect the payment, you should fax the bank remittance receipt to us for our reference.

After receiving the application form and booth fee, the organizing committee will send the invoice and exhibitor brochure. The payment of booth rental fee will not be returned for any cancellation after the application.

●Exhibition Directory:

The organizer will print Exhibition Directory and send them to the government departments, associations, visitors and other relevant people in this region. The exhibitors should fax about 200 words of company introduction to the organizer, which will be printed in the Exhibition Directory free of charge.

●Professional Audience Organization and Wide Propaganda

▲To invite the exhibitor and visitor, 300 thousand tickets will be published to send to internal and external companies and related association and professional exhibition.

▲Plan to propaganda in 30 media from home and abroad:

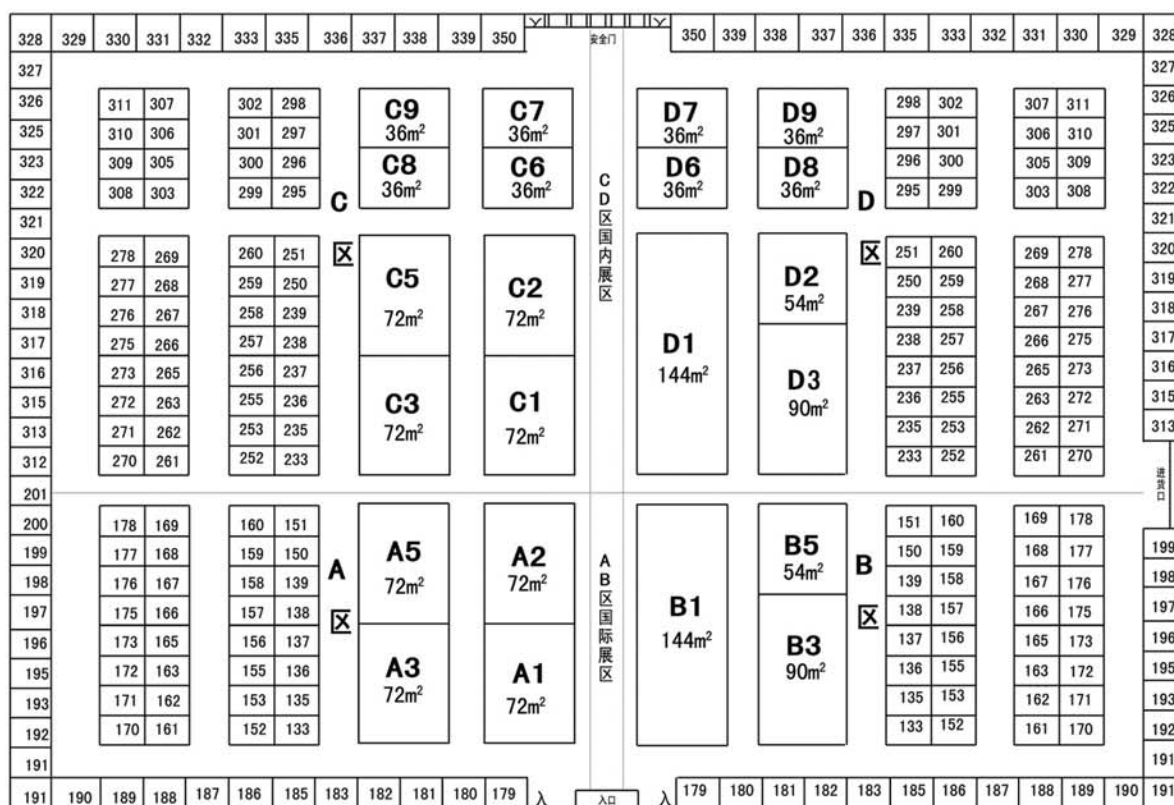

●Main audience invited

Petroleum, chemicals, engineering services, gas processing / refining; vehicle manufacturers, environmental protection, the pharmaceutical industry; construction industry; fire; shipbuilding and ship repair; food processing, trading and retail advisory / management services ,government department, ,water and wastewater treatment; electronics industry; medical and health care, water supply and treatment; energy and electricity; hotel services, other;

●Internet and Broadcasting Station:

China Pump and Valve Business Net、 China Pipeline Net、 China Pump and Valve Transaction Net、 China Water Net、 China Water Industry Internet, China Potential Project Net、 China Corrosion Net and BTV will issue the exhibition news and advertisement profile.
